

CAPABILITIES STATEMENT

Empowering Organizations, Leaders, and
Communities Globally

Who We Are

At Worthey Solutions International (WSI), we believe in transforming challenges into opportunities. Based in Washington, DC, WSI is a premier management consulting and leadership training firm with over two decades of experience.

Our mission is to empower individuals, organizations, and communities through innovative, long-term solutions. Our services are designed to drive impactful outcomes for nonprofits, government entities, and corporations worldwide.

Why Choose Us

WSI's approach integrates industry best practices with a focus on client-specific needs. Whether providing agile project management principles, managing workforce initiatives or delivering transformative leadership trainings, WSI is your trusted partner for sustainable growth and impact.

PAST PERFORMANCE

U.S. Department of Labor – Supported enterprise-wide project management for national workforce initiative by coordinating personnel for software updates, stakeholder engagement, training execution, and digital transformation impacting 120 Job Corps Centers and 50,000+ students annually.

U.S. Department of Defense – Delivered organizational development consulting and trainings on military installations throughout the US for active duty and civilian personnel in the areas: Conflict Management & Resolution, Project Management, Effective Briefing Techniques, and Situational Leadership.
